

Together We LEARN (Learning, Enjoyment, Achievement, Respect, No Negativity)

WEEKLY NEWSLETTER— 6th November 2020

Children in Need

For this years Children in Need, we are asking children to 'dress down for a pound'. We shall also have games set up in the hall, such as guess the sweets in a jar. Please bring some small change—5p's and 10p's—if you would like to try your luck, and have a go.

Governor Update

We would like to introduce you all to a new section of the weekly newsletter, the Governors Update section. Week on week we will introduce you to the whole of the governing body and update you with progress throughout the year. The Governing Body meet every six weeks (virtually of course at present), and we work our way through quite a significant agenda. Our role as Governors is to offer support for the benefit of our three schools and support the great work they do. As Co-Chairs we are new in role, (commencing this month), and very much look forward to the challenges ahead. Should you have any questions, thoughts, comments please do let your respective school Administer know.

Best Wishes,
Helen Smith and Helen White
Co-Chairs

Christmas Cards

With all the chaos in the country currently, we are trying very hard to keep some normality within school. Attached to this newsletter, please find our plans for our Christmas celebrations and virtual performances. We would also like to explain how we intend to enable the children to still bring in Christmas cards for their friends. Our intention is to ask the children to bring the cards into school between Tuesday 1st– Friday 11th December, the cards will then go into quarantine, to be handed out by class teachers on Monday 14th December. As with all things, we are having to very much think outside the box at the moment, but feel that this would be the safest way to carry on this tradition.

Good Work Certificates go to...

Annie, Freya. F and Joshua, Lucy H, Sebastian. S and Rosie
